MEMORANDUM FOR: 25X1A [REDACTED]
SUBJECT : Special Investigation

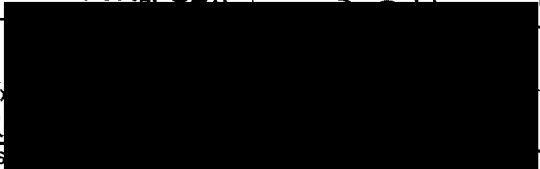

25X1A

In connection with the review of Agency training presently being conducted under Mr. [REDACTED] direction, will you please undertake to write a special report on the justification, or lack thereof, for the present system for training reserve officers during their required two weeks of active duty at [REDACTED]. I am seriously concerned that the Agency might be criticized because this training is not sufficiently applicable to the reserve designations of the officers and thus not contributing either to the military service or to the Agency.
